ensure to take my device carefully from the charger and to charge it again when finished (COW, lead etc.)

store my device in the locked area in my class during break times. Devices are not to be used during break times.

communicate using kind words and images that support my own and other learning.

I understand that if I break these rules the school may need to tell my parent(s) and I may no longer be allowed to use digital technology equipment.

I have discussed this agreement with my child and explained its importance and the consequences for breaking this agreement.
